## **AQUARION WATER COMPANY ANNOUNCES PROMOTION OF FRAN KING TO MANAGER OF OPERATIONS OF OXFORD AND MILLBURY WATER SYSTEMS**

Oxford, MA. (September 10, 2014) - Aquarion Water Company has announced the promotion of Fran King to Manager of Operations of the Oxford and Millbury water systems. King has operated the Oxford and Millbury water systems for 29 years, and most recently served as the foreman for these operations.

“I am honored that Aquarion has recognized my record of service and accomplishment by promoting me to this important position. I look forward to continuing to serve the residents of Oxford and Millbury.” stated Fran King.

“Aquarion is proud to promote Fran to this leadership role. He has extensive knowledge of the Oxford and Millbury water systems, and is a water utility professional who is truly committed to providing customers with high quality water and great service. As the current Millbury Board of Selectman Chair, Fran is familiar with working with local leadership to ensure that needs of the communities are understood and satisfied,” said John Walsh, Vice President, Operations.

### **About Aquarion Water Company of Massachusetts**

Aquarion Water Company of Massachusetts is the public water supply company for nearly 19,000 homes and businesses in the towns of Millbury, Oxford, Hingham, Hull, and North Cohasset. Aquarion Water Company is the largest investor-owned water utility in New England, and it has been in the public water supply business since 1857. Across its operations, Aquarion strives to

act as a responsible steward of the environment and to assist the communities it serves in promoting sustainable practices.
