Aquarion Water Company Mandatory Water Use Restrictions

Residents and businesses must shut off all irrigation systems, follow an odd/even system with handheld hoses from 6–9 p.m. only for outdoor watering, and observe water conservation measures.

Effective Tuesday, July 6, 2010, **Aquarion Water Company** has implemented **Mandatory Water Use Restrictions** due to the high water demands we are experiencing, along with the hot and dry weather. Outdoor watering is allowed using an odd/even system from 6–9 p.m. **using hand-held watering devices only (no permanent irrigation systems are allowed)**. People with even-numbered addresses may water on even-numbered days, and those with odd-numbered addresses may water on odd-numbered days. Please eliminate all non-essential outdoor water use and conserve water within your homes and businesses. For additional information, call Aquarion's Customer Service Department at 1.800.928.3734 or visit Aquarion's website at www.aquarionwater.com.
